

M8G

8 Ports Full Gigabit RJ45 Ethernet Module

KEY FEATURES

- 8 Gigabit Ethernet Ports
- Transmission distance up to 100m
- Pluggable Module: Modules combination optional according to actual engineering needs (cost effective and simple wiring)

TECHNICAL SPECIFICATIONS

NETWORK CONNECTOR

Port	8 ports: 10/100/1000Mbps Ethernet ports Uplink: 10/100/1000Mbps Ethernet port
Transmission Distance	Ethernet ports: up to 100m
Transmission Medium	Cat5/5e/6 standard network cable
PoE Protocol	-
PoE Power Supply	-
PoE Power Consumption	-

SYSTEM

Power Supply	On board
Voltage Temperature	-10°~ 55°C
Humidity	0 ~ 95%
Dimension (l x w x h)	137mm * 91mm * 44.5mm
Weight	146g
